

VERSION BRAVO ACCELERATOR

JAN—MAR

Application and Selection Process

Holistic assessment of founder-market fit, the uniqueness of their value proposition, and the overall market opportunity and business viability of their venture.

APRIL

Israel Startup Bootcamp (2 Weeks)

Operators experience Start-Up Nation through seasoned founders, industry experts & leading academics. They advance their early-stage ventures through a “battle-tested” dedicated curriculum and training program designed for Veterans / Reservists.

APRIL—MAY

Online Acceleration Direct Mentorship (6 Weeks)

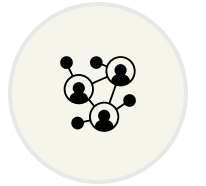

Operators are paired with an experienced founder and continue to build and advance their venture during weekly check-ins and assignments.

JUNE

California Showcase (2 Weeks)

Offers operators two intensive weeks in Los Angeles and the Bay Area for crucial meetings with industry experts, investors, and partners, culminating in a “pitch day” where they present their ventures to a select group of Silicon Valley investors.

∞

Operators join VB Portfolio Network

Operators gain entry to a robust network, providing a continuous source of support and guidance as they navigate the complexities of building their startups. This enduring connection offers invaluable resources and ongoing mentorship, crucial for long-term success.
